Leadership Positions

Wonderfest Science Envoy

2019-2020

A program funded by the Gordon and Betty Moore Foundation, which identifies PhD students who show particular science-popularization promise. The programhelps us to develop the subtle art and science of public outreach. The program's participants emerge as articulate Science Envoys.

UC Berkeley Society for Women in the Physical Sciences:

Astronomy Coordinator Fall 2015 - Spring 2019 Mentoring Coordinator Fall 2014 - Spring 2016

Berkeley Connect Fellow

Fall 2014-Spring 2017

Berkeley Connect is a teaching and mentorship program intended to strengthen the relationship between undergraduate students and the Physics Department. As a Fellow, I helped design the curriculum, led class meetings, and mentored students one-on-one.

Respect is Part of Research: Founding Member and Peer Facilitator 2014 - 2016 RPR is a graduate student group that runs annual peer-led sexual assault and sexual harassment prevention workshops for incoming first-year graduate students. RPR's primary mission is to create a respectful, positive working environment where everyone can do their best science.

Compass Program Organizer/Instructor

Summer 2014

The Berkeley Compass Project is a Physics graduate student-run organization that aims to improve the experiences of undergraduate students from under-represented groups interested in STEM.
